

Amplifier	Class-D UMAC™ with ultra low distortion
Power	500W + 150W (RMS)
Signal To Noise-Ratio	>120 dB (A-weighted, 20 Hz - 20 kHz)
THD+N (Typical use)	<0.05 % (3 dB below rated power)
Power Supply	UREC™ Universal mains switch mode with Power Factor Correction
Operation Voltage	Universal Mains, 85-265V, IEC
Standby Signal Processing	Energy Star and ErP compliant
Digital Conversion	24-bit, 96 kHz Cirrus Logic
Analogue Input	Balanced XLR
DSP Presets	8
